THE CARNIVAL IN SAN GAVINO

M.LE

- The carnival in San Gavino is the best because we eat a lot of sweets 😊 ;-) it's fantastic! 😊 ;-)

The days of our carnivals are in February or in March.

People from the other villages come to visit and to participate for the parade of masks.

In the streets of San Gavino there are about 20.000 people that dance and sing.

This is the Carnival in Oristano

In our Carnival people eat a lot of “Zeppole” (a typical sweet for Carnival). In the past San Gavino’s carnival has always been celebrated. In other towns, it is celebrated in different ways.

The typical masks are: the mamutones. In some countries there is a prize with horses. in general it is very important in Sardinia that should not be missed!

Notting hill

Held each August Holiday since 1966, the Notting Hill Carnival is the largest festival celebration of its kind in Europe.

There are twenty kilometres of colours masks with a lot of stalls, confetti and Caribben food!

- ◎ The first day there is a parade for children and families. The second day a lot of people, dressed with masks, walk in the streets. They sing, dance and run!

In San Gavino Monreale
