Happy Halloween

**The origins of  
Halloween go back  
to Celtic times .**

**The Celts divided the year into two seasons, summer and winter.**

**They danced, ate  
and drank and  
wore costumes -  
usually animals  
heads and skins.  
The next day 1<sup>st</sup>  
November wase the  
beginning of the  
cold, dark winter.**

**On the 1<sup>st</sup> of  
November Christians  
remember all the  
Saints.  
This day is cold All  
Saints' day.**

**On 2<sup>nd</sup> November  
Christians  
remember  
all the souls.**
